Proceeds benefit Maria Fareri Children's Hospital at Westchester Medical Center, an advocate for children's health and the advanced care pediatric facility for New York's Hudson Valley region and Fairfield County, Connecticut. Clinically as well as physically, Maria Fareri Children's Hospital is a worldwide benchmark for children's hospitals. The hospital sees more than 35,000 out-patients each year and has cared for more than 22,000 in-patients since opening its doors almost five years ago. Hundreds of the area's tiniest and sickest newborns are nurtured in the hospital's neonatal intensive care unit each year and its pediatric emergency room aids more than 15,000 children annually. Overall, Maria Fareri Children's Hospital at Westchester Medical Center has more than 300 professionals committed to providing the very best in pediatric care.
